KINGSPORT, Tenn. - A sweet treat in Kingsport will be used raise money for the Kingsport Carousel Project.

Bellafina Chocolates and the Kingsport Carousel Project have introduced a special young artist's gift box of delicious chocolate truffles. The boxes feature work from nine-year-old Elizabeth Kiser. She's painted one of the carousel animals.

All proceeds from the boxes will be contributed to the carousel special people fund to buy carousel rides for children threatened by disease, poverty, abuse or neglect.

The Kingsport Carousel is expected to open within the next few months.
