Artisan, single-origin chocolates are becoming as plentiful as microbrews—so there is simply no excuse for giving your Valentine a box of drugstore chocolates. Each year I scour the international and national chocolate award's lists for up and coming chocolatiers who are doing interesting (but always delicious) things with the cocoa bean. The continued evolution of the chocolate lover's palate has had a remarkable influence on quality overall. L.A. Burdick Chocolatier Michael Klug is hoping to see continuation of the trend of consumers venturing beyond cocoa percentages and "discovering the beauty and differences of cocoa regions and cocoa varieties throughout the

Bellafina: Based in Kingsport, Tennessee, the extraordinary thing about these delicious and rich truffles is that all net proceeds are donated and benefit children threatened by disease, poverty, abuse or neglect. The personal fave in our house was the Dark Chocolate Moonshine (locally inspired, of course) and the Abingdon (featuring local Virginian olive oil with balsamic vinegar).
